

THE NISHU NEWS

President's Message

It's hard to believe a year has come and gone so quickly. At our general membership meeting there were two new board members voted in. They are Jesse Carter and Lisa Engelhart, and I would personally like to welcome them.

A big Thank-You goes out to the outgoing board members for all the hard work and commitment that they put in to Nishu this past year. Thanks, Bill Hephrey and Bob Richardson. Secretary Colleen Weltz whom has been a cornerstone in the club and all its functions asked for some time off, so Paul Diehl, with Colleen's help, will take on the secretary position. Thanks to both of you.

Club membership this past year has exceeded the 300 mark. That was a goal we had set a few years back. Our goal over the next year is set at 400, which is very realistic as we have some 2,000 bowhunters in the Bismarck-Mandan area.

We have one of the best archery complexes in the country. I hope everyone takes the time to get involved with the Nishu Bowmen club and its leagues, tournaments and club functions.

To show a little family archery history, I am showing you a photo of a successful North Dakota antelope hunt in mid 1960's. The successful hunters were Roy Bauer and Martin Bauer.

Remember success under stress is knowing how to relax and have fun.

Have fun, shoot straight - Ryan Bauer, President

Last Chance to See Your Recipe in the Nishu Bowmen Cookbook

Nishu member Steph Smith has collected over 150 wild game recipes for the first-ever Nishu Bowmen Wild Game Cookbook and is seeking just a few more before the recipe book goes to print. Profits from future sales of this recipe book will help fund the operation of our archery complex.

This is your *last chance* to gain fame as a master of the culinary arts by sending Steph your best wild game recipe(s). We are looking for recipes for fish, ducks, geese, pheasant, grouse, and other small game, on up to big game such as antelope, deer, elk, moose, bear, sheep, etc. If you have any questions, you can call Steph Smith at home at 222-2542, by cell phone at 226-6585 or e-mail Steph at steph4smith@aol.com.
